To Our Valued Customers,

MBA Building Supplies will be raising prices a minimum of 10% for all products shipping on or after April 3, 2017. We anticipate that additional increases may be necessary to account for the rapidly changing steel market.

MBA will continue to honor all existing quotations in accordance with our stated job quotation policy. A copy of this policy is available on our website at www.mbastuds.com.

New price sheets will follow.

We appreciate your continued support and look forward to working with you closely in the future.
